**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 10, 2024**

This proxy statement (the “Proxy Statement”) and our annual report for the fiscal year ended December 31, 2023 (the “Annual Report” and, together with the Proxy Statement, the “proxy materials”) are being furnished by and on behalf of the board of directors (the “Board” or the “Board of Directors”) of BioXcel Therapeutics, Inc. (the “Company,” “BTAI,” “we,” “us,” or “our”), in connection with our 2024 annual meeting of stockholders (the “Annual Meeting”). This Notice of Annual Meeting and Proxy Statement will first be distributed or made available, as the case may be, on or about April 29, 2024.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

When and where will the Annual Meeting be held?

The Annual Meeting will be held on Monday, June 10, 2024 at 9:00 a.m., Eastern Time. The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast. You will be able to attend the Annual Meeting online and submit your questions during the meeting by visiting www.virtualshareholdermeeting.com/BTAI2024 and entering your 16-digit control number included in your Notice of Internet Availability of Proxy Materials, on your proxy card or on the instructions that accompanied your proxy materials. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote, ask questions or access the list of stockholders as of the close of business on April 10, 2024 (the “Record Date”).

What are the purposes of the Annual Meeting?

The purpose of the Annual Meeting is to vote on the following items described in this Proxy Statement:

- Proposal No. 1: Election of the director nominees listed in this Proxy Statement;
- Proposal No. 2: Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2024;
- Proposal No. 3: Approval, on an advisory (non-binding) basis, the compensation of our named executive officers (“Say-on-Pay Vote”);
- Proposal No. 4: Approval, on an advisory (non-binding) basis, the frequency of future Say-on-Pay Votes;
- Proposal No. 5: Approval of an amendment to the Company’s Amended and Restated Certificate of Incorporation, as amended (“Certificate of Incorporation”) to increase the number of authorized shares of common stock of the Company from 100,000,000 to 200,000,000;
- Proposal No. 6: Approval of an amendment to the Certificate of Incorporation to provide for the exculpation of officers to the extent permitted by the General Corporation Law of the State of Delaware; and
- Proposal No. 7: Approval of an adjournment of the Annual Meeting, if necessary, to solicit additional proxies if there are not sufficient votes at the time of the Annual Meeting to approve Proposal Nos. 5 and/or 6.

Are there any matters to be voted on at the Annual Meeting that are not included in this Proxy Statement?

As of the date of this Proxy Statement, we did not know of any matters to be properly presented at the Annual Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

Why did I receive a notice in the mail regarding the Internet availability of proxy materials instead of a paper copy of proxy materials?

The rules of the Securities and Exchange Commission (the “SEC”) permit us to furnish proxy materials, including this Proxy Statement and the Annual Report, to our stockholders by providing access to such documents on the Internet instead of mailing printed copies. Stockholders will not receive paper copies of the proxy materials unless they request them. Instead, the Notice of Internet Availability of Proxy Materials (the “Notice and Access Card”) provides instructions on how to access and review on the Internet all of the proxy materials. The Notice and Access Card also instructs you as to how to authorize via the Internet or telephone your proxy to vote your shares according to your voting instructions. If you would like to receive a paper or email copy of our proxy materials, you should follow the instructions for requesting such materials described in the Notice and Access Card.

What does it mean if I receive more than one Notice and Access Card or more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Notice and Access Card or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

Can I vote my shares by filling out and returning the Notice and Access Card?

No. The Notice and Access Card identifies the items to be voted on at the Annual Meeting, but you cannot vote by marking the Notice and Access Card and returning it. If you would like a paper proxy card, you should follow the instructions in the Notice and Access Card. The paper proxy card you receive will also provide instructions as to how to authorize via the Internet or telephone your proxy to vote your shares according to your voting instructions. Alternatively, you can mark the paper proxy card with how you would like your shares voted, sign the proxy card and return it in the envelope provided.

Who is entitled to vote at the Annual Meeting?

Holders of record of shares of our common stock as of the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting and any continuation, postponement or adjournment thereof. At the close of business on the Record Date, there were 37,034,517 shares of our common stock issued and outstanding and entitled to vote. Each share of our common stock is entitled to one vote on any matter presented to stockholders at the Annual Meeting. You will need to obtain your own Internet access if you choose to attend the Annual Meeting online and/or vote over the Internet.

To attend and participate in the Annual Meeting, you will need the 16-digit control number included in your Notice and Access Card, on your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in “street name,” you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote, ask questions or access the list of stockholders as of the Record Date. The meeting webcast will begin promptly at 9:00 a.m., Eastern Time. We encourage you to access the meeting prior to the start time. Online check-in will begin at 8:45 a.m., Eastern Time, and you should allow ample time for the check-in procedures.

What is the difference between being a “record holder” and holding shares in “street name”?

A record holder (also called a “registered holder”) holds shares in his or her name. Shares held in “street name” means that shares are held in the name of a bank, broker or other nominee on the holder’s behalf.

What do I do if my shares are held in “street name”?

If your shares are held in a brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in “street name.” The Notice and Access Card or the proxy materials, if you elected to receive a hard copy, have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting. Please refer to information from your bank, broker or other nominee on how to submit your voting instructions.

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The holders of at least one-third of the voting power of the Company’s capital stock issued and outstanding and entitled to vote, present in person, or by remote communication, or represented by proxy constitutes a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials.

Broker non-votes will also be considered present for the purpose of determining whether there is a quorum for the Annual Meeting.

What are “broker non-votes”?

A “broker non-vote” occurs when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a proposal because (1) the broker has not received voting instructions from the stockholder who beneficially owns the shares and (2) the broker lacks the authority to vote the shares at their discretion.

Under current stock market rules that govern broker non-votes, Proposals No. 1, 3, 4, 6, and 7 are each considered a “non-routine” matter, and a broker will, therefore, lack the authority to vote uninstructed shares at their discretion on such proposal. Proposals No. 2 and 5 are each considered a “routine” matter, and a broker will, therefore, be permitted to exercise its discretion to vote uninstructed shares on such proposal.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present or represented at the scheduled time of the Annual Meeting, (i) the chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present electronically or represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented.

How do I vote my shares without attending the Annual Meeting?

We recommend that stockholders vote by proxy even if they plan to attend the Annual Meeting and vote electronically. If you are a stockholder of record, there are three ways to vote by proxy:

- by Telephone — You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
- by Internet — You can vote over the Internet at www.proxyvote.com by following the instructions on the proxy card; or
- by Mail — You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 9, 2024.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions on how to vote from the bank, broker or holder of record. You must follow the instructions of such bank, broker or holder of record in order for your shares to be voted.

How can I attend and vote at the Annual Meeting?

We will be hosting the Annual Meeting live via audio webcast. Any stockholder can attend the Annual Meeting live online at www.virtualshareholdermeeting.com/BTAI2024. If you were a stockholder as of the Record Date, or you hold a valid proxy for the Annual Meeting, you can vote at the Annual Meeting. A summary of the information you need to attend the Annual Meeting online is provided below:

- Instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.virtualshareholdermeeting.com/BTAI2024.
- Assistance with questions regarding how to attend and participate via the Internet will be provided at www.virtualshareholdermeeting.com/BTAI2024 on the day of the Annual Meeting.
- Webcast starts at 9:00 a.m., Eastern Time.
- You will need your 16-Digit Control Number to enter the Annual Meeting.
- Stockholders may submit questions while attending the Annual Meeting via the Internet.

To attend and participate in the Annual Meeting, you will need the 16-digit control number included in your Notice and Access Card, on your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in “street name,” you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote, ask questions or access the list of stockholders as of the Record Date.

What if during the check-in time or during the Annual Meeting I have technical difficulties or trouble accessing the virtual meeting website?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting website. If you encounter any difficulties accessing the virtual meeting website during the check-in or meeting time, please call the technical support number that will be posted on the Annual Meeting login page.

How does the Board recommend that I vote?

The Board recommends that you vote:

- FOR the nominees to the Board set forth in this Proxy Statement.
- FOR the ratification of the appointment of Ernst & Young, LLP as our independent registered public accounting firm for 2024.
- FOR the approval of the Say-on-Pay Vote.
- ONE YEAR as the frequency of Say-on-Pay Votes;
- FOR the approval of an amendment to the Certificate of Incorporation to increase the number of authorized shares of common stock of the Company from 100,000,000 to 200,000,000;
- FOR the approval of an amendment to the Certificate of Incorporation to provide for the exculpation of officers to the extent permitted by the General Corporation Law of the State of Delaware
- FOR the approval of an adjournment of the Annual Meeting, if necessary, to solicit additional proxies if there are not sufficient votes at the time of the Annual Meeting to approve Proposals 5 and/or 6.

How many votes are required to approve each proposal?

The table below summarizes the proposals that will be voted on, the vote required to approve each item and how votes are counted:

<u>Proposal</u>	<u>Votes Required</u>	<u>Voting Options</u>	<u>Impact of “Withhold” or “Abstain” Votes</u>	<u>Broker Discretionary Voting Allowed</u>
Proposal No. 1: Election of Directors	The plurality of the votes cast by the stockholders present in person or represented by proxy at the meeting and entitled to vote thereon. This means that the two nominees receiving the highest number of affirmative “FOR” votes will be elected as Class III directors.	“FOR ALL” “WITHHOLD ALL” “FOR ALL EXCEPT”	None ⁽¹⁾	No ⁽³⁾
Proposal No. 2: Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively at the Annual Meeting by the holders entitled to vote thereon.	“FOR” “AGAINST” “ABSTAIN”	None ⁽²⁾	Yes ⁽⁴⁾
Proposal No. 3: Approval of Say-on-Pay	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively at the Annual Meeting by the holders entitled to vote thereon.	“FOR” “AGAINST” “ABSTAIN”	None ⁽²⁾	No ⁽³⁾
Proposal No. 4: Approval of the Frequency of the Say-on- Pay Vote	The affirmative vote of the holders of a majority in voting power of the votes cast. If no frequency receives the foregoing vote, then we will consider the option of ONE YEAR, TWO YEARS, or THREE YEARS that receives the highest number of votes cast to be the frequency recommended by stockholders.	“ONE YEAR” “TWO YEARS” “THREE YEARS”	None ⁽²⁾	No ⁽³⁾
Proposal No. 5: Approval of an amendment to the Company’s Certificate of Incorporation to increase the number of authorized shares	The affirmative vote of the holders of a majority of the outstanding stock of the Company entitled to vote at the Annual Meeting.	“FOR” “AGAINST” “ABSTAIN”	Abstentions have the same effect as votes against the proposal	Yes ⁽⁴⁾

Proposal	Votes Required	Voting Options	Impact of "Withhold" or "Abstain" Votes	Broker Discretionary Voting Allowed
Proposal No. 6: Approval of an amendment to the Company's Certificate of Incorporation to allow for the exculpation of officers	The affirmative vote of the holders of a majority of the outstanding stock of the Company entitled to vote at the Annual Meeting.	"FOR" "AGAINST" "ABSTAIN"	Abstentions have the same effect as votes against the proposal	No ⁽³⁾
Proposal No. 7: Adjournment of the Annual Meeting if necessary, to solicit additional proxies for Proposals No. 5 and/or 6	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively at the Annual Meeting by the holders entitled to vote thereon.	"FOR" "AGAINST" "ABSTAIN"	None ⁽²⁾	No ⁽³⁾

-
- (1) Votes that are "withheld" will have the same effect as an abstention and will not count as a vote "FOR" or "AGAINST" a director, because directors are elected by plurality voting.
- (2) A vote marked as an "Abstention" or a broker non-vote is not considered a vote cast and will, therefore, not affect the outcome of this proposal.
- (3) As this proposal is considered a "non-routine" matter, brokers lack authority to exercise their discretion to vote uninstructed shares on this proposal.
- (4) As this proposal is considered a "routine" matter, brokers are permitted to exercise their discretion to vote uninstructed shares on this proposal, and we do not expect any broker non-votes on this proposal. If, however, if there are any broker non-votes, as to Proposal No. 5, they will have the same effect as a vote AGAINST Proposal No. 5.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board. The Board's recommendations are set forth above, as well as with the description of each proposal in this Proxy Statement.

Who will count the votes?

Representatives of Broadridge Investor Communications Services ("Broadridge") will tabulate the votes, and a representative of Broadridge will act as inspector of election.

Can I revoke or change my vote after I submit my proxy?

Yes. Whether you have voted by Internet, telephone or mail, if you are a stockholder of record, you may change your vote and revoke your proxy by:

- sending a written statement to that effect to the attention of our Corporate Secretary at our corporate offices, provided such statement is received no later than June 9, 2024;
- voting again by Internet or telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Time, on June 9, 2024;
- submitting a properly signed proxy card with a later date that is received no later than June 9, 2024; or
- attending the Annual Meeting, revoke your proxy and voting again.

If you hold shares in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also change your vote or revoke your proxy at the Annual Meeting if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Company before your proxy is voted or you vote at the Annual Meeting.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees (for no additional compensation) in person or by telephone, electronic transmission and facsimile transmission. Brokers and other nominees will be requested to solicit proxies or authorizations from beneficial owners and will be reimbursed for their reasonable expenses.

Why hold a virtual meeting?

We want to provide expanded access, improved communication and cost savings for our stockholders and the Company while providing stockholders the same rights and opportunities to participate as they would have at an in-person meeting. We believe the virtual meeting format enables increased stockholder attendance and participation because stockholders can participate from any location around the world.

Will I be able to ask questions at the Annual Meeting?

As part of the Annual Meeting, we will hold a live Q&A session, during which we intend to answer appropriate questions submitted during the meeting and that relate to the matters to be voted on. We intend to reserve up to 10 minutes before the closing of the polls to address questions submitted. Only stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”) by following the procedures outlined above in “How can I attend and vote at the Annual Meeting?” will be able to submit questions during the Annual Meeting. Additionally, our Annual Meeting will follow “Rules of Conduct,” which will be available on our Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”). Under these Rules of Conduct, a stockholder may ask up to two questions, and we will not address questions that are, among other things:

- irrelevant to the business of the Company or to the business of the Annual Meeting;
- related to the status or conduct of our clinical trials beyond that which is contained in our prior public disclosures;
- related to material non-public information of the Company;
- related to personal grievances;
- derogatory references to individuals or that are otherwise in bad taste;
- substantially repetitious of statements already made by another stockholder;
- in furtherance of the stockholder’s personal or business interests; or
- out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair of the Annual Meeting or the Corporate Secretary in their reasonable judgment.

Additional information regarding the Q&A session will be available in the “Rules of Conduct” available on the Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”) by following the procedures outlined above in “How can I attend and vote at the Annual Meeting?”

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

Board Size and Structure

Our Amended and Restated Certificate of Incorporation, as amended, and as currently in effect (“Certificate of Incorporation”) provides that the number of directors shall be established from time to time by our Board of Directors. Our Board of Directors has fixed the number of directors at six, and we currently have six directors serving on the Board.

Our Certificate of Incorporation provides that the Board be divided into three classes, designated as Class I, Class II and Class III. Each class must consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board. Each class of directors must stand for re-election no later than the third annual meeting of stockholders subsequent to their initial appointment or election to the Board, subject to the election and qualification of his or her successor and his or her earlier death, resignation, retirement, disqualification or removal. Except as otherwise required by law, any vacancies and newly created directorships resulting from an increase in the number of directors will be filled exclusively by a majority of the directors then in office, even if less than a quorum, and will hold office until the next stockholder’s meeting at which directors in his or her class are elected and his or her successor is elected and qualified or until his or her earlier death, resignation, retirement, disqualification or removal.

Current Directors and Terms

Our current directors and their respective classes and terms are set forth below.

Class I Director — Current Term Ending at 2025 Annual Meeting	Class II Director — Current Term Ending at 2026 Annual Meeting	Class III Director — Current Term Ending at 2024 Annual Meeting
June Bray Sandeep Laumas, M.D.	Michael Miller Michal Votruba, M.D.	Vimal Mehta, Ph.D. Peter Mueller, Ph.D.

Nominees for Director

Dr. Mehta and Dr. Mueller have been nominated by the Board to stand for election. As the directors assigned to Class III, Drs. Mehta’s and Mueller’s current terms of service will expire at the Annual Meeting. If elected by the stockholders at the Annual Meeting, Dr. Mehta and Dr. Mueller will each serve for a term expiring at the annual meeting to be held in 2027 (the “2027 Annual Meeting”) and the election and qualification of his successor or until his earlier death, resignation, retirement, disqualification or removal.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. If, however, prior to the Annual Meeting, the Board of Directors should learn that any nominee will be unable to serve for any reason, the proxies that otherwise would have been voted for this nominee will be voted for a substitute nominee as selected by the Board. Alternatively, the proxies, at the Board’s discretion, may be voted for that fewer number of nominees as results from the inability of any nominee to serve. The Board has no reason to believe that any of the nominees will be unable to serve. Proxies cannot be voted for a greater number of persons than the number of nominees named in this proposal.

PROPOSAL NO. 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Appointment of Independent Registered Public Accounting Firm

The audit committee appoints our independent registered public accounting firm. In this regard, the audit committee evaluates the qualifications, performance and independence of our independent registered public accounting firm and determines whether to re-engage our current firm. As part of its evaluation, the audit committee considers, among other factors, the quality and efficiency of the services provided by the firm, including the performance, technical expertise, industry knowledge and experience of the lead audit partner and the audit team assigned to our account; the overall strength and reputation of the firm; the firm's global capabilities relative to our business; and the firm's knowledge of our operations. Ernst & Young LLP has served as our independent registered public accounting firm since March 2021. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors and providing audit and permissible non-audit related services. Upon consideration of these and other factors, the audit committee has appointed Ernst & Young LLP to serve as our independent registered public accounting firm for the year ending December 31, 2024.

Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm and it is a good corporate governance practice. If our stockholders do not ratify the selection, it will be considered as notice to the Board and the audit committee to consider the selection of a different firm. Even if the selection is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

A representative of Ernst & Young LLP is expected to attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from stockholders.

Audit, Audit-Related, Tax and All Other Fees

The table below sets forth the aggregate fees billed to us for services related to the fiscal year ended December 31, 2023 and 2022 by Ernst & Young LLP.

	Year Ended December 31,	
	2023	2022
Audit Fees ⁽¹⁾	\$903,500	\$1,569,000
Audit-Related Fees ⁽²⁾	16,000	—
Tax Fees	—	—
All Other Fees	—	—
Total	\$919,500	\$1,569,000

(1) Audit fees consisted of audit services performed in connection with the audit of the Company's consolidated financial statements, the reviews of the Company's interim condensed consolidated financial statements, and related services that are normally provided in connection with registration statements. Included in the 2023 and 2022 audit fees are \$105,000 and \$170,000, respectively, billed in connection with our follow-on offerings. 2023 and 2022 audit fees also include fees related to the audit and review of the registration statements of the Company's subsidiary, OnkosXcel Therapeutics LLC, of \$65,000 and \$904,200, respectively.

(2) Audit-related fees consisted of other filing fees related to the Form S-8 and out-of-pocket costs for the annual audit.

Pre-Approval Policies and Procedures

Consistent with SEC policies and guidelines regarding audit independence, the audit committee is responsible for the pre-approval of all audit and permissible non-audit services provided by our independent registered public accounting firm on a case-by-case basis. Our audit committee has established a policy regarding

approval of all audit and permissible non-audit services provided by our principal accountants. No non-audit services were performed by our independent registered public accounting firm during the years ended December 31, 2023 and 2022. Our audit committee pre-approves these services by category and service. Our audit committee has pre-approved all of the above-described services.

Board Recommendation

The Board of Directors unanimously recommends a vote “**FOR**” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2024.

Audit Committee Report

The audit committee operates pursuant to a charter which is reviewed annually by the audit committee.

Additionally, a brief description of the primary responsibilities of the audit committee is included in this Proxy Statement under the discussion of “Corporate Governance — Audit Committee.” Under the audit committee charter, management is responsible for the preparation, presentation and integrity of the Company’s financial statements, for the appropriateness of accounting principles and financial reporting policies and for establishing and maintaining our internal control over financial reporting. The independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States.

In the performance of its oversight function, the audit committee reviewed and discussed with management and Ernst & Young LLP, as the Company’s independent registered public accounting firm for the fiscal year ended December 31, 2023, the Company’s audited financial statements for the fiscal year ended December 31, 2023. The audit committee also discussed with the Company’s independent registered public accounting firm the matters required to be discussed by applicable standards of the Public Company Accounting Oversight Board (the “PCAOB”) and the SEC. In addition, the audit committee received and reviewed the written disclosures and the letter from the Company’s independent registered public accounting firm required by applicable requirements of the PCAOB, regarding such independent registered public accounting firm’s communications with the audit committee concerning independence, and discussed with the Company’s independent registered public accounting firm their independence from the Company.

Based upon the review and discussions described in the preceding paragraph, the audit committee recommended to the Board that the Company’s audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2023 filed with the SEC.

Submitted by the Audit Committee of the Company’s Board of Directors:

Sandeep Laumas, M.D. (Chair)
Michael Miller
Peter Mueller, Ph.D.
Michal Votruba, M.D.

**PROPOSAL NO. 3 — APPROVAL, ON AN ADVISORY (NON-BINDING) BASIS, OF THE
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and Rule 14a-21 under the Exchange Act, we request that our stockholders cast a non-binding, advisory vote to approve the compensation of our named executive officers identified in the section titled “Executive Compensation” set forth below in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

Accordingly, we ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, by a non-binding advisory vote, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2024 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and narrative discussion.”

We believe that our compensation programs and policies for the year ended December 31, 2023 were an effective incentive for the achievement of our goals, aligned with stockholders’ interest and worthy of stockholder support. Additional details concerning our compensation program are provided in the section titled “Executive Compensation” set forth below in this proxy statement.

This vote is merely advisory and will not be binding upon us, our Board of Directors or the Compensation Committee, nor will it create or imply any change in the duties of us, our Board of Directors or our Compensation Committee. The Compensation Committee will, however, take into account the outcome of the vote when considering future executive compensation decisions. The Board of Directors values constructive dialogue on executive compensation and other significant governance topics with our stockholders and encourages all stockholders to vote their shares on this important matter. Subject to the Board of Directors’ determination after considering the advisory vote on the frequency of future advisory votes on executive compensation (see Proposal 4), the next “say-on-pay” advisory vote following this one will occur at the 2025 annual meeting of stockholders.

Board Recommendation

The Board of Directors unanimously recommends a vote “**FOR**” the approval, on an advisory (non-binding) basis, of the compensation of our named executive officers.

PROPOSAL NO. 4—APPROVAL, ON AN ADVISORY (NON-BINDING) BASIS, OF THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the Dodd-Frank Act, we request that our stockholders cast a non-binding, advisory vote regarding the frequency with which we should include in future annual proxy statements a stockholder advisory vote to approve the compensation of our named executive officers. By voting on this proposal, stockholders may indicate whether they would prefer that we provide for such a stockholder advisory vote at future annual meetings every one year, every two years or every three years. Stockholders may also abstain from the vote.

After careful consideration, the Board of Directors determined that providing a stockholder advisory vote to approve the compensation of our named executive officers every year is the most appropriate alternative for us at this time. In formulating its recommendation, the Board of Directors determined that an annual advisory vote on named executive officer compensation will allow stockholders to provide their direct input on our compensation philosophy, policies and practices as disclosed in this and future proxy statements on a more timely and consistent basis than if the vote were held less frequently. Additionally, an annual advisory vote on executive compensation is consistent with our policy of seeking regular dialogue with our stockholders on corporate governance matters and our executive compensation philosophy, policies and practices. We understand that our stockholders may have different views as to what is the best approach for us, and we look forward to hearing from our stockholders on this proposal.

Our stockholders will have the opportunity to specify one of four choices for this proposal on the proxy card: (1) one year; (2) two years; (3) three years; or (4) abstain. Stockholders are not voting to approve or disapprove the Board of Directors' recommendation. Rather, stockholders are being asked to express their preference regarding the frequency of future advisory votes to approve executive compensation.

Board Recommendation

The Board of Directors unanimously recommends a vote of “**ONE YEAR**” regarding the non-binding frequency of future advisory votes on the compensation of our named executive officers.

**PROPOSAL NO. 5 — APPROVAL OF AN AMENDMENT TO THE COMPANY’S AMENDED AND
RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED TO AUTHORIZE ADDITIONAL
SHARES OF COMMON STOCK**

General

Our Certificate of Incorporation currently authorizes the issuance of 100,000,000 shares of common stock, par value \$0.001 per share. On April 17, 2024, our Board adopted a resolution to amend our Certificate of Incorporation, subject to stockholder approval, by increasing the number of authorized shares of our common stock to 200,000,000 shares (the “Share Increase Amendment”). The additional 100,000,000 shares of common stock authorized for issuance pursuant to the proposed Share Increase Amendment would be part of the existing class of common stock and, if and when issued, would have the same rights and privileges as the shares of common stock presently issued and outstanding. The holders of common stock are not entitled to preemptive rights or cumulative voting.

The Share Increase Amendment will not affect the number of authorized shares of preferred stock of the Company, par value \$0.001 per share, which is 10,000,000 shares. Currently, there are no shares of preferred stock issued and outstanding.

If our stockholders approve this proposal, then the first sentence of Article FOURTH of our Certificate of Incorporation will be deleted and replaced in its entirety to read as follows:

“The total number of shares of capital stock that the Corporation shall have authority to issue is 210,000,000 shares, consisting of 200,000,000 shares of common stock, par value \$0.001 per share (the “Common Stock”), and 10,000,000 shares of preferred stock, par value \$0.001 per share (the “Preferred Stock”).”

The Board has unanimously adopted and is submitting for stockholder approval two amendments to our Certificate of Incorporation, this Proposal No. 5 for the Share Increase Amendment, and Proposal No. 6, which provides for officer exculpation. Each of these two proposed amendments to the Certificate of Incorporation will be voted on separately by stockholders, and the effectiveness of Proposal No. 5 is not conditioned on the approval of Proposal No. 6. If, however, both Proposal No. 5 and Proposal No. 6 are approved, the Board has authorized the officers to file a Certificate of Amendment reflecting the amendments to both Article FOURTH and Article EIGHTH as described herein.

Purpose of Share Increase Amendment

Our Board believes it is in the best interests of the Company and our stockholders to increase our authorized shares of common stock in order to have additional shares available for use as our Board deems appropriate or necessary, including to support current and anticipated future expenses and to ensure compliance with the minimum financing conditions under our Credit Agreement (as defined below).

As such, the primary purpose of the Share Increase Amendment is to provide the Company with greater flexibility with respect to managing its common stock in connection with such corporate purposes as may, from time to time, be considered advisable by our Board. These corporate purposes could include, without limitation, financing activities, public or private offerings, stock dividends or splits, conversions of convertible securities, issuance of options and other equity awards pursuant to our stockholder-approved incentive plans, establishing a strategic relationship with a corporate partner and acquisition transactions. Having an increased number of authorized but unissued shares of common stock would allow us to take prompt action with respect to corporate opportunities that develop, without the delay and expense of convening a special meeting of stockholders for the purpose of approving an increase in our capitalization. Our Board would determine whether, when and on what terms the issuance of shares of common stock may be warranted in connection with any of the foregoing purposes.

As illustrated below in the section titled “Effect of Approval of Proposed Amendment,” we rely significantly on our authorized common stock for compensatory and workforce retention efforts, as well as in connection with financing and other transactions where we have issued rights to acquire our common stock. Investors in prior transactions have purchased our common stock and derivative securities entitling them to shares of our common stock and for which we have had to reserve shares out of our authorized common stock.

Furthermore, on March 20, 2024 (the “Effective Date”), we entered into a fourth amendment (the “Fourth Amendment”) to our Credit Agreement and Guaranty with Oaktree Fund Administration LLC (“Oaktree”) and the other lenders (together with Oaktree, the “Lenders”) and parties thereto, dated April 19, 2022 (as amended to date, the “Credit Agreement”) pursuant to which, we must raise by November 30, 2024 an aggregate of at least \$50.0 million in gross proceeds from the issuance of our common stock, warrants and/or pre-funded warrants and other partnering transactions, the failure of which would constitute an event of default under the Credit Agreement. Since March 20, 2024, and as of April 10, 2024, we completed a financing transaction and issued 6.5 million shares of common stock and warrants to acquire 10.8 million shares of our common stock. As a result, as of April 10, 2024, we had 41,081,156 authorized shares of common stock remaining available for issuance. An increased number of authorized but unissued shares of common stock would allow us to take prompt action in regards to any issuances of our common stock, warrants and/or pre-funded warrants that would allow us to satisfy our obligations under the covenants in the Credit Agreement.

Effect of Approval of Proposed Amendment

The following table illustrates the effect the proposed Share Increase Amendment would have on the number of shares of common stock available for issuance, if approved by our stockholders, as of April 10, 2024:

	As of April 10, 2024	Upon Effectiveness of Amendment
TOTAL AUTHORIZED SHARES OF COMMON STOCK	100,000,000	200,000,000
Outstanding shares of common stock	37,034,517	37,034,517
Shares of common stock authorized for future issuance under the Company’s incentive plans	2,005,064	2,005,064
Shares of common stock authorized for future issuance under the Company’s employee stock purchase plan	1,204,746	1,204,746
Shares of common stock subject to outstanding equity awards under the Company’s incentive plans	4,846,954	4,846,954
Shares of common stock subject to outstanding options under the Company’s employee stock purchase plan	657,636	657,636
Shares of common stock subject to outstanding warrants	11,268,786	11,268,786
Shares of common stock subject to an equity investment right	1,901,141	1,901,141
SHARES OF COMMON STOCK AVAILABLE FOR ISSUANCE	41,081,156	141,081,156

Other than shares reserved for issuance under our existing incentive plans and employee stock purchase plan, our warrant agreements with certain purchasers and an equity investment right held by Oaktree and other lenders, we do not currently have any arrangements, agreements or understandings that would require the issuance of additional shares of common stock. Because our directors and executive officers have outstanding equity awards under our incentive plans and may be granted additional equity awards under these plans, they may be deemed to have an indirect interest in the Share Increase Amendment because, absent the amendment, the Company may not have sufficient authorized shares to make future awards.

The Share Increase Amendment will not have any immediate effect on the rights of existing stockholders. However, our Board will have the authority to issue authorized common stock without requiring future stockholder approval of such issuances, except as may be required by applicable law or rules of the Nasdaq Stock Market. Future issuances of common stock or securities convertible into or exchangeable for common stock could have a dilutive effect on our earnings per share, book value per share and the voting power and interest of current stockholders.

If our stockholders approve the Share Increase Amendment, our Board has authorized our officers to file a Certificate of Amendment to our Certificate of Incorporation with the Delaware Secretary of State, which we anticipate doing as soon as practicable following stockholder approval of the Share Increase

Amendment at the Annual Meeting, and the Certificate of Amendment for would become effective upon acceptance by the Delaware Secretary of State.

If our stockholders do not approve the Share Increase Amendment, the Company's current authorized common stock will remain in place, and the Certificate of Amendment will not be filed with the Delaware Secretary of State. However, even if our stockholders approve the Share Increase Amendment, our Board retains discretion under Delaware law to determine when to file the Certificate of Amendment with the Delaware Secretary of State and to abandon the Share Increase Amendment notwithstanding prior stockholder approval of the Share Increase Amendment.

Potential Anti-Takeover Effect

Our Board has not proposed the Share Increase Amendment with the intention of discouraging tender offers or takeover attempts of the Company. However, the availability of additional authorized shares for issuance could, under certain circumstances, discourage or make more difficult efforts to obtain control of our company. This proposal is not being presented with the intent that it be used to prevent or discourage any acquisition attempt, but nothing would prevent our Board from taking any appropriate actions not inconsistent with its fiduciary duties. We do not have a poison pill plan and have not made any non-shareholder approved repricings of our equity awards.

Dissenters' Rights of Appraisal

Under Delaware law, stockholders are not entitled to appraisal rights with respect to the Share Increase Amendment, and we will not independently provide our stockholders with any such right.

Board Recommendation

The Board of Directors unanimously recommends a vote "**FOR**" the approval of the amendment of the Company's Amended and Restated Certificate of Incorporation, as amended, to increase the number of authorized shares of common stock of the Company from 100,000,000 to 200,000,000.

**PROPOSAL NO. 6: APPROVAL OF AMENDMENT TO THE COMPANY’S AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION, AS AMENDED, TO PROVIDE FOR EXCULPATION OF
OFFICERS TO THE EXTENT PERMITTED BY THE GENERAL CORPORATION LAW OF THE STATE
OF DELAWARE**

General

As part of its continuing review of our corporate governance standards and practices, the Board unanimously approved and declared advisable, subject to stockholder approval, an amendment (the “Exculpation Amendment”) to our Certificate of Incorporation, to update the current exculpation and liability provisions in Article EIGHTH of our Certificate of Incorporation to reflect developing law.

If our stockholders approve this proposal, then Article EIGHTH of our Certificate of Incorporation will be deleted and replaced in its entirety to read as follows:

“A director or officer of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director or officer, as applicable, except for liability (i) for any breach of the director’s or officer’s duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) in the case of a director, under Section 174 of the DGCL, (iv) for any transaction from which the director or officer derived an improper personal benefit or (v) for an officer in any action by or in the right of the Corporation. If the DGCL is amended to authorize corporate action further eliminating or limiting the personal liability of directors or officers, then the liability of a director or officer of the Corporation shall be eliminated or limited to the fullest extent permitted by the DGCL, as so amended. Any repeal or modification of this paragraph shall not adversely affect any right or protection of a director or officer of the Corporation existing at the time of such repeal or modification.”

The Board has unanimously adopted and is submitting for stockholder approval two amendments to our Certificate of Incorporation, this Proposal No. 6, which provides for officer exculpation, and Proposal No. 5 for the Share Increase Amendment. Each of these two proposed amendments to the Certificate of Incorporation will be voted on separately by stockholders, and the effectiveness of Proposal No. 6 is not conditioned on the approval of Proposal No. 5. If, however, both Proposal No. 5 and Proposal No. 6 are approved, the Board has authorized the officers to file a Certificate of Amendment reflecting the amendments to both Article FOURTH and Article EIGHTH as described herein.

Effective August 1, 2022, Section 102(b)(7) of the General Corporation Law of the State of Delaware (the “DGCL”) was amended (“Amended 102(b)(7)”) to enable a corporation to include in its certificate of incorporation a provision exculpating certain corporate officers from liability for breach of the fiduciary duty of care in certain circumstances. Previously, Section 102(b)(7) of the DGCL provided for the ability to exculpate directors only and our Certificate of Incorporation currently limits the monetary liability of our directors in certain circumstances consistent with Section 102(b)(7) of the DGCL. Amended 102(b)(7) allows for the exculpation of certain officers only in connection with direct claims brought by stockholders, including class actions, but would not eliminate officers’ monetary liability for breach of fiduciary duty claims brought by the corporation itself or for derivative claims brought by stockholders in the name of the corporation. Further, Amended 102(b)(7) does not permit a corporation to exculpate covered officers from liability for breach of the duty of loyalty, acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, or any transaction in which the officer derived an improper personal benefit. Under Amended 102(b)(7), the officers who may be exculpated include a person who (i) is the president, chief executive officer, chief operating officer, chief financial officer, chief legal officer, controller, treasurer or chief accounting officer of the corporation at any time during the course of conduct alleged in the action or proceeding to be wrongful, (ii) is or was identified in the corporation’s public filings with the SEC because such person is or was one of the most highly compensated executive officers of the corporation, or (iii) has consented to services of process in Delaware by written agreement (the “Covered Officers”).

Purpose of the Exculpation Amendment

Our Board believes that adopting the Exculpation Amendment would better position the Company to attract top officer candidates and retain our current officers. The Exculpation Amendment would also more closely align the protections available to our officers with those already available to our directors. We believe that failing to adopt the Exculpation Amendment could impact our recruitment and retention of exceptional officer candidates who conclude that the potential exposure to liabilities, costs of defense, and other risks of proceedings exceeds the benefits of serving as an officer of the Company.

In addition, adopting the Exculpation Amendment would enable the officers to exercise their business judgment in furtherance of the interests of the stockholders without the potential for distraction posed by the risk of personal liability. The nature of the role of officers often requires them to make decisions on crucial matters. Frequently, officers must make decisions in response to time-sensitive opportunities and challenges, which can create substantial risk of investigations, claims, actions, suits, or proceedings seeking to impose liability based on hindsight, especially in the current litigious environment and regardless of merit. Limiting our current and prospective officers' concern about personal risk would empower officers to best exercise their business judgment in furtherance of stockholder interests and better position the Company to retain our current officers and attract top officer candidates. Enhancing our ability to retain and attract experienced officers is in the best interests of the Company and its stockholders and we should seek to assure such persons that exculpation under certain circumstances is available.

If our stockholders approve the Exculpation Amendment, our Board has authorized our officers to file a Certificate of Amendment to our Certificate of Incorporation with the Delaware Secretary of State, which we anticipate doing as soon as practicable following stockholder approval of the Exculpation Amendment at the Annual Meeting, and the Certificate of Amendment would become effective upon acceptance by the Delaware Secretary of State.

If our stockholders do not approve the Exculpation Amendment, the Company's current exculpation provisions relating to directors will remain in place, and the Certificate of Amendment will not be filed with the Delaware Secretary of State. However, even if our stockholders approve the Exculpation Amendment, our Board retains discretion under Delaware law to determine when to file the Certificate of Amendment with the Delaware Secretary of State and to abandon the Exculpation Amendment notwithstanding prior stockholder approval of the Exculpation Amendment.

Effect of the Exculpation Amendment

The proposed Exculpation Amendment would allow for the exculpation of our officers to the fullest extent permitted by the DGCL. As described above, this currently means that the proposed Exculpation Amendment would allow for the exculpation of Covered Officers only in connection with direct claims brought by stockholders, including class actions, but would not eliminate such officers' monetary liability for breach of fiduciary duty claims brought by the corporation itself or for derivative claims brought by stockholders in the name of the corporation. Further, the Exculpation Amendment would not limit the liability of Covered Officers for any breach of the duty of loyalty to the corporation or its stockholders, any acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law, or any transaction from which a Covered Officer derived an improper personal benefit.

Board Recommendation

The Board unanimously recommends a vote "**FOR**" the Exculpation Amendment of our Amended and Restated Certificate of Incorporation, as amended, to provide for exculpation of officers from breaches of fiduciary duty to the fullest extent permitted by the General Corporate Law of the State of Delaware.

PROPOSAL NO. 7—APPROVAL OF AN ADJOURNMENT OF THE ANNUAL MEETING

Our stockholders are being asked to consider and vote upon an adjournment of the Annual Meeting, if necessary, to solicit additional proxies if there are not sufficient votes at the time of the Annual Meeting to approve Proposal No. 5 and/or Proposal No. 6.

The Board believes that if the number of shares of the Company's common stock outstanding and entitled to vote at the Annual Meeting is insufficient to approve Proposal No. 5 or Proposal No. 6, it is in the best interests of the Company and its stockholders to enable the Company to continue to seek to obtain a sufficient number of additional votes to approve Proposal No. 5 or Proposal No. 6, as applicable.

If our stockholders approve this adjournment proposal, we could adjourn the Annual Meeting, and any adjourned session of the Annual Meeting, and use the additional time to solicit additional proxies in favor of Proposal No. 5 and/or Proposal No. 6. Among other things, approval of this Proposal No. 7 could mean that, even if we had received proxies representing a sufficient number of votes against Proposal No. 5 or Proposal No. 6 such that either proposal would be defeated, we could adjourn the Annual Meeting without a vote on Proposal No. 5 or Proposal No. 6 and seek to convince the holders of those shares to change their votes to votes in favor of the applicable proposal.

Board Recommendation

The Board of Directors unanimously recommends a vote "**FOR**" the adjournment of the Annual Meeting, if necessary, to solicit additional proxies if there are not sufficient votes at the time of the Annual Meeting to approve Proposals No. 5 and/or 6.

- Change of principal occupation

- Stock ownership
- Conflicts of Interest
- Interaction with investors, the press and customers

Board Leadership Structure

Our Corporate Governance Guidelines provide our Board of Directors with flexibility to combine or separate the positions of Chairperson of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of the Company and its stockholders. If the Chairperson of the Board is a member of management or does not otherwise qualify as independent, our Corporate Governance Guidelines provide for the appointment by the independent directors of a lead independent director (the “Lead Director”). The Lead Director’s responsibilities include, but are not limited to: presiding over all meetings of the Board at which the Chairperson of the Board is not present, including any executive sessions of the independent directors; approving Board meeting schedules and agendas; and acting as the liaison between the independent directors and the Chief Executive Officer and Chairperson of the Board. Our Corporate Governance Guidelines provide that, at such times as the Chairperson of the Board qualifies as independent, the Chairperson of the Board will serve as Lead Director.

The positions of our Chair of the Board and our Chief Executive Officer are currently served by two separate persons. Dr. Mueller serves as Chairman of the Board, and Dr. Mehta serves as our Chief Executive Officer. In his capacity as the independent Board Chair, Dr. Mueller performs the functions of the Lead Director.

The Board believes that our current leadership structure of Chief Executive Officer and Chair of the Board being held by two separate individuals is in the best interests of the Company and its stockholders and strikes the appropriate balance between the Chief Executive Officer and President’s responsibility for the strategic direction, day-to-day leadership and performance of our Company and the Chair of the Board’s responsibility to guide overall strategic direction of our Company and provide oversight of our corporate governance and guidance to our Chief Executive Officer and President and to set the agenda for and preside over Board meetings. We recognize that different leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. Accordingly, the Board will continue to periodically review our leadership structure and make such changes in the future as it deems appropriate and in the best interests of the Company and its stockholders.

Director Independence

Under our Corporate Governance Guidelines and Nasdaq rules, a director is independent if he or she does not have a material or other disqualifying relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities as a director. In addition, the director must meet the bright-line tests for independence set forth by the Nasdaq rules.

Our Board has undertaken a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that none of Ms. Bray, Mr. Miller or Drs. Laumas, Mueller or Votruba, representing five of our six current directors, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors qualifies as “independent” as that term is defined under the Nasdaq rules. In making these determinations, our Board of Directors considered the relationships that each non-employee director has with us and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the director’s beneficial ownership of our common stock and the relationships of our non-employee directors with certain of our significant stockholders.

Board Committees

Our Board of Directors has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee, each of which has the composition and the responsibilities described below. In addition, from time to time, special committees may be established under the direction of our Board when necessary to address specific issues. Each of the audit committee, the compensation committee and the nominating and corporate governance committee operates under a written charter which are available in the “Governance — Governance Documents” section of the “Investors” page of our website located at www.bioxceltherapeutics.com.

The current members of our audit committee are Peter Mueller, Sandeep Laumas, Michael Miller and Michal Votruba, with Dr. Laumas serving as chair. All members of our audit committee meet the requirements for financial literacy under the applicable Nasdaq rules and regulations. Our Board of Directors has affirmatively determined that each member of our audit committee qualifies as “independent” under Nasdaq’s additional standards applicable to audit committee members and Rule 10A-3 of the Exchange Act of 1934, as amended (the “Exchange Act”) applicable to audit committee members. In addition, our Board of Directors has determined that each of Dr. Laumas, Mr. Miller, Dr. Mueller, and Dr. Votruba qualifies as an “audit committee financial expert,” as such term is defined in Item 407(d)(5) of Regulation S-K.

Compensation Committee

Our compensation committee is responsible for, among other things:

- reviewing and approving, or recommending for approval by the board of directors, the compensation of our Chief Executive Officer and our other executive officers;
- reviewing and approving or make recommendations to the Board regarding the Company’s incentive compensation plans and equity-based plans and arrangements;
- overseeing and administering our incentive compensation and equity-based plans and arrangement;
- periodically reviewing and making recommendations to our board of directors with respect to director compensation;
- reviewing and discussing annually with management our “Compensation Discussion and Analysis,” to the extent required;
- preparing the annual compensation committee report required by SEC rules, to the extent required;
- reviewing and discussing the results of the most recent stockholder advisory vote on executive compensation, and reviewing and recommending to our board of directors for approval the frequency with which we should conduct such votes, to the extent required;
- overseeing the Company’s programs and policies as may be applicable, regarding talent management (including retention, development and training) and diversity and inclusion.

The current members of our compensation committee are Peter Mueller, Ph.D. and Sandeep Laumas, M.D., with Dr. Mueller serving as chair. Our Board has determined that each member of our compensation committee qualifies as “independent” under Nasdaq’s additional standards applicable to compensation committee members and is a “non-employee director” as defined in Section 16b-3 of the Exchange Act.

The compensation committee generally considers the Chief Executive Officer’s recommendations when making decisions regarding the compensation of non-employee directors and executive officers (other than

the Chief Executive Officer). Pursuant to the compensation committee’s charter, the compensation committee has the authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors to assist in carrying out its responsibilities. Before selecting any such consultant, counsel or advisor, the compensation committee reviews and considers the independence of such consultant, counsel or advisor in accordance with applicable Nasdaq rules. We must provide appropriate funding for payment of reasonable compensation to any advisor retained by the compensation committee.

Compensation Consultants

The compensation committee has the authority under its charter to retain outside consultants or advisors, as it deems necessary or advisable. In accordance with this authority, the compensation committee. During fiscal 2023, the compensation committee engaged the services of Radford, a part of Aon plc (“Radford”), as its independent outside compensation consultants.

As requested by the compensation committee, in 2023, Radford’s services to the compensation committee included advising on new equity compensation programs and the development of the Company’s peer group and providing support and analysis regarding executive and director compensation.

All executive compensation services provided by Radford during 2023 were conducted under the direction or authority of the compensation committee, and all work performed by Radford was pre-approved by the compensation committee. Radford nor any of its affiliates maintains any other direct or indirect business relationships with us or any of our subsidiaries. The compensation committee considered whether any work provided by Radford raised any conflict of interest for services performed during 2023 and determined that it did not.

Additionally, during 2023, Radford did not provide any services to us other than regarding executive and director compensation and broad-based plans that do not discriminate in scope, terms, or operation, in favor of our executive officers or directors, and that are available generally to all salaried employees.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee is responsible for, among other things:

- identifying individuals qualified to become members of our Board;
- recommending to our Board the persons to be nominated for election as directors and to each committee of the Board;
- developing and recommending to our Board corporate governance guidelines, and reviewing and recommending to our board of directors proposed changes to our corporate governance guidelines from time to time;
- reviewing and making recommendations to the Board in connection with a director’s notification of a change in employment or other circumstances;
- overseeing a periodic evaluation of our Board.

The current members of our nominating and corporate governance committee are June Bray, Sandeep Laumas and Peter Mueller, with Peter Mueller serving as chair. Our Board has determined that each of Ms. Bray and Drs. Laumas and Mueller qualifies as “independent” under applicable Nasdaq rules applicable to nominating and corporate governance committee members.

Board and Board Committee Meetings and Attendance

During fiscal 2023, our Board of Directors met 14 times, the audit committee met five times, the compensation committee met one time and the nominating and corporate governance committee met one time. In 2023, each of our incumbent directors attended at least 75% of the meetings of the Board and committees on which he or she then served as a member.

Executive Sessions

Executive sessions, which are meetings of the non-management members of the Board, are regularly scheduled throughout the year. In addition, at least twice per year, the independent directors meet in a private session that excludes management and any non-independent directors. The Chair of the Board presides at each of these meetings and, in his absence, the non-management and independent directors in attendance, as applicable, determine which member will preside at such session.

Director Attendance at Annual Meeting of Stockholders

While do not have a formal policy regarding the attendance of our Board members at our annual meetings of stockholders, it is expected that directors will attend our annual meeting of stockholders. All of our directors attended our annual meeting of stockholders held in 2023.

Director Nominations Process

The nominating and corporate governance committee is responsible for recommending candidates to serve on the Board and its committees. In considering whether to recommend any particular candidate to serve on the Board or its committees or for inclusion in the Board's slate of recommended director nominees for election at the annual meeting of stockholders, the nominating and corporate governance committee considers the criteria set forth in our Corporate Governance Guidelines. Specifically, the nominating and corporate governance committee may take into account many factors, including personal and professional integrity; ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other board members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, ethnicity, place of residence and specialized experience; gender identification or identification as an underrepresented minority or as LGBTQ+, practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills.

We consider diversity, such as gender, race, ethnicity and members of underrepresented communities, a meaningful factor in identifying director nominees and view such diversity characteristics meaningful factors to consider, but do not have a formal diversity policy. Currently, 50% of our Board self-identifies as a

member of a diverse gender, racial, ethnic or underrepresented group. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that has the necessary tools to perform its oversight function effectively in light of the Company's business and structure. In determining whether to recommend a director for re-election, the nominating and corporate governance committee may also consider potential conflicts of interest with the candidates, other personal and professional pursuits, the director's past attendance at meetings and participation in and contributions to the activities of the Board.

In identifying prospective director candidates, the nominating and corporate governance committee may seek referrals from other members of the Board, management, stockholders and other sources, including third party recommendations. The nominating and corporate governance committee also may, but need not, retain a third-party search firm in order to assist it in identifying candidates to serve as directors of the Company. The nominating and corporate governance committee uses the same criteria for evaluating candidates regardless of the source of the referral or recommendation. When considering director candidates, the nominating and corporate governance committee seeks individuals with backgrounds and qualities that, when combined with those of our incumbent directors, provide a blend of skills and experience to further enhance the Board's effectiveness. In connection with its annual recommendation of a slate of nominees, the nominating and corporate governance committee also may assess the contributions of those directors recommended for re-election in the context of the Board evaluation process and other perceived needs of the Board. In determining to nominate each director nominee at this Annual Meeting, the nominating and corporate governance committee and the Board evaluated each nominee in accordance with our standard review process for director candidates in connection with a director's initial appointment and his or her nomination for election or re-election, as applicable, at the Annual Meeting.

When considering whether the directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board to satisfy its oversight responsibilities effectively in light of our business and structure, the Board focused primarily on the information discussed in each of the board member's biographical information set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business. This process resulted in the Board's nomination of the incumbent directors named in this Proxy Statement and proposed for election by you at the Annual Meeting.

The nominating and corporate governance committee will consider director candidates recommended by stockholders. The nominating and corporate governance committee will review and evaluate information available to it regarding candidates proposed by stockholders and will apply the same criteria and follow substantially the same process in considering them as it does in considering other director candidates. Stockholders wishing to propose a candidate for consideration may do so by submitting their recommendation to the attention of the Corporate Secretary, BioXcel Therapeutics, Inc., 555 Long Wharf Drive, New Haven, CT 06511.

Board Role in Risk Oversight

The Board of Directors has overall responsibility for risk oversight, including, as part of regular Board and committee meetings, general oversight of executives' management of risks relevant to the Company. A fundamental part of risk oversight is not only understanding the material risks a company faces and the steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the Board of Directors in reviewing our business strategy is an integral aspect of the Board's assessment of management's tolerance for risk and its determination of what constitutes an appropriate level of risk for the Company. While the full Board has overall responsibility for risk oversight, it is supported in this function by its audit committee, compensation committee and nominating and corporate governance committee. Each of the committees regularly reports to the Board.

The audit committee assists the Board in fulfilling its risk oversight responsibilities by periodically reviewing our accounting, reporting and financial practices, including the integrity of our financial statements, the surveillance of administrative and financial controls, our compliance with legal and regulatory requirements, and our enterprise risk management program, including oversight of financial risks cybersecurity risks and information security risks. Through its regular meetings with management, including the finance, legal, internal audit, tax, compliance, and information technology functions, the audit committee reviews and discusses significant areas of our business and summarizes for the Board areas of risk and the appropriate

mitigating factors. The compensation committee assists the Board by overseeing and evaluating risks related to the Company's compensation policies and practices. The nominating and corporate governance committee assists the Board by overseeing and evaluating programs and risks associated with Board organization, membership and structure, and corporate governance. In addition, our Board receives periodic detailed operating performance reviews from management.

Committee Charters and Corporate Governance Guidelines

Our Corporate Governance Guidelines, charters of the audit committee, compensation committee and nominating and corporate governance committee and other corporate governance information are available under the Corporate Governance section of the Investors page of our website located at www.bioxceltherapeutics.com, or by writing to our Corporate Secretary at our offices at 555 Long Wharf Drive, New Haven, CT 06511.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics (the "Code of Conduct") that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. A copy of our Code of Business Conduct and Ethics is available under the "Governance — Governance Documents" section of the Investors page of our website located at www.bioxceltherapeutics.com, or by writing to our Corporate Secretary at our offices at 555 Long Wharf Drive, New Haven, CT 06511. We intend to make any required disclosures regarding amendments to, or waivers of, provisions of our Code of Conduct on our website rather than by filing a Current Report on Form 8-K.

Anti-Hedging Policy

Our Board of Directors has adopted an Insider Trading Compliance Policy, which applies to all of our directors, officers and employees. The policy prohibits our directors, officers and employees from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars, and exchange funds, or otherwise engaging in transactions that hedge or offset, or are designed to hedge or offset, any decrease in the market value of our equity securities. All such transactions involving our equity securities, whether such securities were granted as compensation or are otherwise held, directly or indirectly, are prohibited.

Compensation Recovery Policy (Clawback Policy)

In 2023, we adopted a compensation recovery, or "clawback," policy (the "Clawback Policy") in accordance with the Nasdaq listing standards and Exchange Act Rule 10D-1. The Clawback Policy provides for the mandatory recovery (subject to limited exceptions) from current and former officers of incentive-based compensation that was erroneously received during the three years preceding the date that the Company is required to prepare an accounting restatement. The Clawback Policy is overseen and administered by the Compensation Committee. The full text of the Clawback Policy was included as Exhibit 97 to our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, filed with the SEC on March 22, 2024.

Interested Persons' Communications with the Board

To help foster input and insight from the Company's stockholders and other interested parties (collectively, "Interested Parties"), Interested Parties may communicate with, or otherwise make his or her concerns known directly to, the Chairperson of the Board, the lead director, if any, any chairperson of a Board committee, or the non-management or independent members of the Board, by addressing such communications to the intended recipient by name or position in care of: BioXcel Therapeutics, Inc., Attn: Chief Legal Officer, 555 Long Wharf Drive, New Haven, Connecticut 06511. The Chief Legal Officer will forward such communications to the appropriate party.

Compensation Committee Interlocks and Insider Participation

During the 2023 fiscal year, the members of our compensation committee were Drs. Laumas and Mueller, neither of whom was, during the fiscal year, an officer or employee of the Company and neither of whom was

formerly an officer of the Company. During 2023, none of our executive officers served as a member of the board of directors or compensation committee (or other committee performing equivalent functions) of any entity that had one or more executive officers serving on our Board or compensation committee.

During the fiscal year ended December 31, 2023, no other relationships required to be disclosed by the rules of the SEC existed aside from those identified herein.

EXECUTIVE COMPENSATION

The following is a discussion of the compensation arrangements of our named executive officers (“NEOs”). As a smaller reporting company, we are not required to include a Compensation Discussion and Analysis section and have elected to comply with the scaled disclosure requirements applicable to smaller reporting companies.

Our NEOs include our principal executive officer and our two most highly compensated executive officers, other than our principal executive officer, for the fiscal year ended December 31, 2023. These NEOs and their positions are:

- Vimal Mehta, Ph.D., our Chief Executive Officer and President;
- Javier Rodriguez, our Senior Vice President, Chief Legal Officer and Secretary; and
- Matthew Wiley, our Senior Vice President and Chief Commercial Officer.

- (1) The amounts reported represent the grant date fair value of restricted stock units and stock options granted to our NEOs as computed in accordance with Accounting Standards Codification 718, Compensation — Stock Compensation (ASC 718). In addition to restricted stock units in BTAI, during 2023 Dr. Mehta was also granted restricted stock units in OnkosXcel Employee Holdings, LLC (“Employee Holdings”) that are accounted for as performance-based awards. For all performance-based restricted stock units, the amounts were calculated based on the probable outcome of the performance condition as of the grant date. The following are the values of the performance-based restricted stock units as of the grant date assuming attainment of the maximum level of performance: Dr. Mehta (\$1,017,627), Mr. Rodriguez (\$237,150) and Mr. Wiley (\$295,950). Note that the amounts reported in these columns reflect the accounting cost for these awards and do not correspond to the actual economic value that may be received by our NEOs from the awards. We provided information regarding the assumptions used to calculate the value of the restricted stock units and stock options in Note 12 to our financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2023.
- (2) The amounts reported for 2023 represent reimbursement for healthcare benefits (\$7,800) for Dr. Mehta and 401(k) matching contributions (\$8,250) for each named executive officer.
- (3) The amounts reported reflect a one-time bonus paid to each of Dr. Mehta and Mr. Rodriguez in recognition of the successful completion of a strategic financing for BTAI during 2022.

Narrative to Summary Compensation Table

2023 Salaries

Our NEOs receive a base salary to compensate them for services rendered to the Company. The base salary payable to each NEO is intended to provide a fixed component of compensation reflecting the executive’s skill set, experience, role and responsibilities. The base salaries of our NEOs are reviewed from time to time and adjusted when our Board or compensation committee determines an adjustment is appropriate. In early 2023, the Board increased the base salaries of Dr. Mehta, Mr. Rodriguez and Mr. Wiley to \$1,001,569, \$423,833 and \$445,200, respectively, in connection with annual merit increases for all employees.

2023 Annual Bonuses

We offer our NEOs the opportunity to earn discretionary annual cash bonuses to compensate them for attaining company and individual performance goals. Each NEO's target bonus opportunity is expressed as a percentage of annual base salary. The 2023 annual bonuses for Dr. Mehta, Mr. Rodriguez and Mr. Wiley were targeted at 55%, 40% and 40% of their respective base salaries.

The performance goals for annual bonuses are reviewed and approved annually by the compensation committee. For 2023, the annual bonus metrics established by the compensation committee were based on the achievement of certain company performance goals, as well as an assessment of individual performance. In early 2024 the Board determined that it would use its discretion to not award annual bonuses for 2023 performance to the NEOs, though the Board reserved the right to revisit whether to pay annual bonuses for 2023 performance.

Equity Compensation

During 2023, we awarded stock options, time-based restricted stock units and performance-based restricted stock units ("PSUs") to our NEOs as the long-term incentive component of our executive compensation program. We typically grant equity awards at such times as our Board determines appropriate. The following table sets forth the equity awards we granted to our NEOs during 2023.

Name	2023 Equity Awards Granted (#)		
	Options	RSUs	PSUs
Vimal Mehta, Ph.D.	168,000	56,000	—
Javier Rodriguez	32,000	9,000	25,000
Matthew Wiley	36,000	12,000	25,000

The options were granted with exercise prices equal to the fair market value of our common stock on the date of grant. The stock options and time-based restricted stock units generally vest over four years with 25% of the shares subject to the award vesting on the first anniversary of the date of grant and the remaining 75% of the shares subject to the award vesting, with respect to options, in substantially equal monthly installments over the following thirty-six months, and with respect to restricted stock units, in substantially equal quarterly installments over the following 12 quarters, subject, in each case, to the holder's continued service through the applicable vesting date.

The PSUs granted to Mr. Rodriguez and Mr. Wiley are eligible to vest on the first anniversary of the grant date based on the attainment of the following performance metrics, as determined by the Board: (i) a satisfactory Oaktree/QIA revised agreement (25% of the PSUs); (ii) a path to sDNA and developing clinical execution for two trials (50% of the PSUs); (iii) a path for BXCL502 (10% of the PSUs); and (iv) maintaining and growing IGALMI revenues using contracting strategy (15% of the PSUs). The Board decided to grant PSUs during 2023 in order to further align the interests of Mr. Rodriguez and Mr. Wiley with the strategic clinical and operational objectives of the Company. Dr. Mehta was not granted any PSUs in BTAI during 2023 due to the Board's determination that his outstanding awards and overall compensation were sufficient to align Dr. Mehta's interests with those of the Company and its stockholders.

During 2023, Dr. Mehta was granted restricted stock units in Employee Holdings, a management holding company used to facilitate the grant of equity interests to service providers of our subsidiary OnkosXcel Therapeutics, LLC ("OnkosXcel"). These restricted stock units only vest upon the occurrence of a liquidity event for OnkosXcel that occurs on or prior to the 10th anniversary of the grant date, subject to continued service through such date.

Refer to the "Outstanding Equity Awards at Year End" table below for additional information regarding the equity awards granted to our NEOs during 2023.

Other Elements of Compensation

Our NEOs are eligible to participate in our employee benefit plans and programs, which generally include medical, dental and vision benefits, and life, short-term, and long-term disability insurance to the same extent

as our other full-time employees generally, subject to the terms and eligibility requirements of those plans. During 2023, we reimbursed Dr. Mehta for his healthcare premium payments.

We maintain a 401(k) defined contribution plan (the “401(k) Plan”), for the benefit of our employees who satisfy certain eligibility requirements. Our NEOs are eligible to participate in the 401(k) Plan on the same terms as other full-time employees. In 2023, we matched employee contributions to the 401(k) Plan up to 50% of the first 5% of eligible compensation.

The amounts paid pursuant to these arrangements are set forth in the Summary Compensation Table in the column entitled “All Other Compensation.”

Employment Arrangements

We have entered into employment agreements with each of our NEOs that set forth the terms and conditions of each executive's employment with us. Each employment agreement establishes an annual base salary and target bonus opportunity for each NEO. The amounts in effect during 2023 are described above under the headings "2023 Salaries" and "2023 Annual Bonuses." The NEOs are eligible to participate in our employee benefit plans and programs for which the NEO is eligible, subject to the terms and conditions of such plans and programs.

During 2023, in the event that an NEO was terminated by us without cause, or by the executive for good reason, subject to the NEO's timely execution and non-revocation of a release of claims in our favor, the executive would have been eligible to receive (i) a pro-rated portion of the executive's annual bonus for the year of termination; (ii) base salary continuation for 24 months for Dr. Mehta, 6 months for Mr. Rodriguez or 9 months for Mr. Wiley; and (iii) reimbursement for COBRA premium payments for the applicable severance period. In addition, Dr. Mehta would be entitled to vesting of 50% of any unvested equity awards held by him immediately prior to his termination. The Company must provide an NEO 30 days' notice in the event we terminate such NEO without cause.

The employment agreements also provide that, in the event an NEO's employment is terminated by us without cause or by the NEO for good reason, in either case, within 6 months prior to or 12 months after a change in control, then, subject to the NEO's timely execution and non-revocation of a release of claims

in our favor, the NEO will be entitled to a lump sum payment equal to 6 months of base salary (or 24 months of base salary for Dr. Mehta), which payment is in addition to the severance payments and benefits described above.

The employment agreements generally define “cause” as, subject to certain notice and cure rights, the NEO’s (i) material breach or material default of the employment agreement or any other agreement between us and the NEO, or repeated failure to follow the direction of the Company or our Board, as applicable; (ii) gross negligence, willful misfeasance or breach of fiduciary duty to us or our affiliates; (iii) commission of an act or omission involving fraud, embezzlement, misappropriation or dishonesty in connection with NEO’s duties to us or our affiliates, or, for Mr. Rodriguez or Mr. Wiley, that is otherwise likely to be materially injurious to the business or reputation of the Company or our affiliates; or (iv) conviction of, indictment for, or pleading guilty or nolo contendere to, any felony or other crime involving fraud or moral turpitude.

The employment agreements generally define “good reason” as, subject to certain notice and cure rights, the occurrence of any of the following (without the NEO’s express written consent): (i) a significant reduction of the NEO’s duties, position or responsibilities, or the removal of the NEO from such position, duties or responsibilities; (ii) for Dr. Mehta and Mr. Rodriguez only, the relocation of the NEO by more than 25 miles; or (iii) any action or inaction that constitutes a material breach by us or any of our successors of its obligations to the NEO under the employment agreement (or for Dr. Mehta, any other agreement between us and Dr. Mehta).

The employment agreements also contain covenants prohibiting the NEOs from competing with us or soliciting our suppliers, employees or customers during employment and for a period of one year following termination.

DIRECTOR COMPENSATION

The non-employee members of our Board are eligible to receive compensation for their service on our Board. Under our director compensation program, during 2023 each non-employee director was eligible to receive an option to purchase 30,000 shares of common stock upon such director's initial election or appointment to the Board. Additionally, each non-employee director who has been serving as a non-employee director for at least six months as of the date of any annual meeting of stockholders and will continue to serve as a non-employee director immediately following such meeting, was eligible to receive an option to purchase 17,000 shares of common stock on the date of such annual meeting. The options granted to our non-employee directors have an exercise price equal to the fair market value of our common stock on the date of grant and expire not later than ten years after the date of grant. The stock options granted upon a director's initial election or appointment vest in three substantially equal annual installments following the date of grant. The stock options granted annually to directors vest in a single installment on the earlier of the day before the next annual meeting or the first anniversary of the date of grant. In addition, all unvested stock options vest in full upon the occurrence of a change in control.

In addition, our non-employee directors were eligible to receive cash retainers for service on our Board and committees of our Board during 2023 as set forth in the table below.

Position	Amount
Base Board Fee	\$60,000
Chair of Board or Lead Independent Director	\$35,000

- each of our named executive officers for 2023; and

Except as indicated in the footnotes below, we believe, based on the information furnished to us, that the individuals and entities named in the table below have sole voting and investment power with respect to all shares of common stock beneficially owned by them, subject to any applicable community property laws.

The percentage of shares beneficially owned is computed on the basis of 37,034,517 shares of our common stock outstanding as of April 10, 2024. Shares of our common stock that a person has the right to acquire within 60 days of April 10, 2024 are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all directors and executive officers as a group. CERTAIN TRANSACTIONS WITH RELATED PERSONS

Policies and Procedures on Transactions with Related Persons

Our Board of Directors recognizes that transactions with related persons present a heightened risk of conflicts of interests and/or improper valuation (or the perception thereof). Our Board has adopted a written policy on transactions with related persons, which requires that our audit committee approve or ratify related person transactions required to be disclosed pursuant to Item 404(a). Item 404 of Regulation S-K requires disclosure, subject to certain exceptions, of transactions in which we were or are to be a participant and the amount involved exceeds \$120,000 (or such other amount is applicable while we remain a smaller reporting company) and in which any “related person” as defined under Item 404(a) of Regulation S-K had or will have a direct or indirect material interest. It is our policy that directors interested in a related person transaction will recuse themselves from any vote on a related person transaction in which they have an interest and that no director may participate in the approval of a related person transaction for which he or she is a “related person.” Each of the transactions described below entered into following the adoption of our related person transaction policy was approved in accordance with such policy.

Stockholders who intend to have a proposal considered for inclusion in our proxy materials for presentation at our annual meeting of stockholders to be held in 2025 (“2025 Annual Meeting”) pursuant to Rule 14a-8 under the Exchange Act must submit the proposal to our Corporate Secretary at our offices at 555 Long Wharf Drive, New Haven, CT 06511, in writing not later than December 30, 2024.

Stockholders intending to present a proposal at our 2025 Annual Meeting, but not to include the proposal in our proxy statement, or to nominate a person for election as a director, must comply with the requirements set forth in our bylaws. Our bylaws require, among other things, that our Corporate Secretary receive written notice from the stockholder of record of their intent to present such proposal or nomination not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the anniversary of the preceding year’s annual meeting of stockholders. Therefore, we must receive notice of such a proposal or nomination for the 2025 Annual Meeting no earlier than the close of business on February 10, 2025 and no later than the close of business on March 12, 2025. The notice must contain the information required by our bylaws. In the event that the date of the 2024 Annual Meeting is more than 30 days before or more than 60 days after June 10, 2025, then our Corporate Secretary must receive such written notice not earlier than the close of business on the 120th day prior to the 2025 Annual Meeting and not later than the close of business of the 90th day prior to the 2025 Annual Meeting or, if later, the 10th day following the day on which public disclosure of the date of such meeting is first made by us. SEC rules permit management to vote proxies in its discretion in certain cases if the stockholder does not comply with this deadline and, in certain other cases notwithstanding the stockholder’s compliance with this deadline.

In addition to satisfying the foregoing requirements under our bylaws, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than our nominees for the 2025 Annual Meeting must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act.

We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these or other applicable requirements.

In connection with our solicitation of proxies for our 2025 Annual Meeting, we intend to file a proxy statement and WHITE proxy card with the SEC. Stockholders may obtain our proxy statement (and any amendments and supplements thereto) and other documents as and when filed with the SEC without charge from the SEC’s website at: www.sec.gov.

HOUSEHOLDING

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as “householding,” provides cost savings for companies and helps the environment by conserving natural resources. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, please notify your broker. You can also request prompt delivery of a copy of this Proxy Statement and the Annual Report by contacting the Broadridge Financial Solutions, Inc. at (866) 540-7095 or in writing at Broadridge, Householding Department, 51 Mercedes Way, Edgewood, New York 11717.
